

Hello Key Clubbers!

Sadly, this is the last issue of Nicole's News for the 2013-2014-service year. I cannot put into words of how proud I am of our division. I will admit, I had my doubts when I first came into this position, but I was blessed with meeting such wonderful people and how welcomed into such a loving family.

We, Key Clubbers, are a part of a bigger family then you might realize. You, yes you, are apart of a family filled with 260,000 other Key Clubbers in the entire world. You all share the same passion for service and love for the world. I would not replace my term with anything in the world, because you made it so special.

You all have the potential to be apart of something bigger, something that can make a lasting impact on the world. To raise money for the Eliminate Project, or help out at your local food pantry, you can make a difference. Everything that you do will affect the people around you, if you realize it or not. We are all connected, with your actions you can choose to make that a positive or negative connection.

To my senior and junior officers reading this, I have a special message for you: Make sure your college or university has a Circle-K club. It's just like Key Club, but for college students. You can still be in the Kiwanis Family after you graduate. If your campus doesn't have one, create one!

If you or your club needs anything in the future, even if I am not apart of the District Board next year, please feel free to contact me at anytime. My email will still be activated and I encourage you to still invite me to your events. I would love to help out any way I can!

Yours in caring, service, and friendship,

*Nicole Lane*

## Letter from your New LTG of now Division 4's LTG Tom Michael

Hello Division 4 my name is Tommy Michael and I am currently a sophomore at GCIT. I am new to the whole Key Club experience, but so far my experiences this year have been unforgettable. My trip to mid winter was very successful and I look forward to working with my fellow board members for the 2014-2015 service year. I made many new friends during my time a midwinter, and I learned many new skills that I will be able to put in use to help our division. My plans for our division mainly are to try and build a better relationship with the schools within our division. I would like to have better communication with each school, which will allow myself to accomplish training, fundraising, and divisional activities to overall make our division the best it can be.

From,  
Tom Michael

Say Hello to the new Division 3's LTG Charmaine Chew!
