Future Kiwanians at “Insight”

Sixty attendees at Circle K’s retreat at YMCA Camp Mason are pictured at left.

“We were honored to be joined by New Jersey District **Rosemary Oarsley** and District Secretary **Gwen Walding**,” said administrator **Mickey Cohen**.

The members of eight Circle –K clubs throughout the state came together at the

camp in Blirstown for a weekend of leadership training and team building. During the November 3-5 weekend, they also completed projects around the camp grounds. As our future Kiwanians, they display that they know how to serve others for the good of the world.

Stay Tuned

According to Immediate Past New Jersey District Governor **Anthony Affatati's** Facebook post, this photo is of "**Kiwanis Club of Marlboro** attending the opening/introduction of K.E.Y.S. (Knowledge Empowers Youth Sobriety) Academy. More to come about this program," he said.

Can you catch Lt. Governor Joey G's enthusiasm?

He said on Facebook, "I was blown away with all the fantastic events the **Kiwanis Club of Marlboro** has coming up including work with Children's Specialized Hospital and Bay Shore Community Center.

Facebook Postings Provide Free Publicity for Kiwanis

Jessica Indio, Miss South New Jersey from the Miss America pageant, posted this on Facebook giving a shout out to **Kiwanis Club of Hammonton's Halloween Parade**:

"Thank you to **Ken Rinear** and your beautiful car "Baby" for the ride in style at the Kiwanis Club of Hammonton's Halloween Parade." Use social media!

Seeing Stars

Kiwanis Club of Clark donates a telescope to the local library at the K-Family potluck dinner on November 13.

Potluck Dinner for Good

A recent K-Family potluck supper hosted by the **Kiwanis Club of Clark** saw fun mixed with lots of good for the community. Builders Club members, K-Kids and Key Clubbers made paper pumpkins for nursing home residents and played games.

Guests from all K-clubs brought food to share as well as canned goods for the NJ Community Food Bank in Hillside.

The highlight of the night, however, was

the announcement and presentation of a telescope to the Clark Library. The Clark Club paid for the telescope that may be checked out, just like a book or DVD, to anyone who is 18 years of age or older.

The director of the library and president of the Friends of the Library were on hand to accept the gift and welcome the parents and students to check out the telescope through the library in order to expand their horizons.
