Aktion Club of Gloucester County Celebrates Second Year of Service

by Brenda Powell: Asst. Exec. Director, The Arc Gloucester

The Aktion Club of Gloucester County celebrated their 2nd Annual Charter Night on July 10, 2014 at Scotland Run Park in Clayton. Nine members and their families, along with representatives from Greater Woodbury Kiwanis and The Arc Gloucester enjoyed a dinner of pizza, tossed salad, fruit salad and cake, not to mention beautiful weather, and a great time of fellowship and recognition. Two new members, who joined the club this past year, were presented with their official Aktion Club membership cards and pins. Mark Esposito, NJ District Advisor for Aktion Clubs, and his wife Nancy, NJ District Governor Elect, were also in attendance. Mark spoke to the group about the important role Aktion Clubs play not only in the Kiwanis organization but throughout the world and thanked the Gloucester County club members for all of their efforts this past year. Mark shared that Aktion Club is one of the fastest growing groups sponsored by Kiwanis International. Mark congratulated the members on their ongoing support of the ELIMINATE Project, which provides funds for vaccines to help eliminate maternal and neonatal tetanus around the world. For the past two years The Aktion Club of Gloucester County has made ELIMINATE ribbons, available for a donation, proceeds from which are sent to Kiwanis International. To date the club has collected \$93.00, providing for 47 vaccines. Brenda Powell, Aktion Club Advisor from The Arc Gloucester, thanked the members for all of their hard work this past year on their service projects, to include: holiday toy collection for the Woodbury Child Development Center, Children's Hospital, and Toys for Tots and collecting donations for Ronald McDonald House in Camden. Brenda also thanked the member's families and staff from The Arc Gloucester for their continued support of Aktion Club.

Aktion Club of Gloucester County is always looking for new members. If you know of any adults between the ages of 18 and 35, living with a disability who want to become community leaders and provide service to others please have them contact any Aktion Club member, or one of the advisors from Woodbury Kiwanis or The Arc Gloucester. The club currently meets once a month (usually on a Friday @ 12:00 noon, specific dates TBD) at Rowan College @ Gloucester County. The next meeting is scheduled for Friday Sept. 12, 2014.
