On Saturday, May 10th, Volunteers, walkers, runners, community groups, elected officials, friends and neighbors will enjoy the 5K and Walkathon at the Family Fun Day, Brenda Powell told us. The annual event benefits the Arc Gloucester's Camp Sun and Fun, a camp located in Williamstown for children and adults with intellectual and developmental disabilities. Our Aktion Club members had a table in the Health Fair area after the walk where they shared information about Aktion Club, their service project for Ronald McDonald House, and sold Eliminate Project ribbons. The members of Aktion Club are looking forward to their upcoming trip to Ronald McDonald House in June to drop off their donations and to take a tour of the facility. Plans are also being made for the club's annual Charter Night picnic scheduled for Thursday July 10th. More details will be available soon.
