We celebrated the Charter Night for Greater Swedesboro Club on Monday evening September 21st at the Holiday Inn in Swedesboro. Division 2 now has 19 more dedicated Kiwanians to help the youth of their area through their service, projects and fund raisers. Our Governor, Nancy Hart Esposito installed the president, Joseph Musumeci; District Secretary, Gwen Walding installed the secretary/treasurer, Wendy Gallagher; and District Gov Elect Designate, Anthony Affatati installed the president elect, Jack Stolze. We wish them a successful career in Kiwanis.

On October 1st Lt Governor Fritz Reynolds attended our luncheon meeting at Charlie Brown's. He installed the following officers listed below and acknowledged the new set of Board Members for 2015-2016. Charlie Hughes was installed as the newest member of our club. After the installation, Fritz went through some of the statistics of the club for the last year, and praised us for all of our community service.

Secretary:	Betty Limanni	Joan Van Note	Howard Ballinger
Treasurer:	Rich Stahler		

Our guest reader at the CDC was Roxanne Long, the retired children's librarian from Woodbury. Roxanne read on October 21 at 10am and Greater Woodbury Kiwanians came to help distribute books for the children to take home.

 On October 15th, Doug Fisher, Secretary of Agriculture for the State of New Jersey, was our guest speaker. His interesting and informative talk included the history of the Agriculture Department. He also spoke on the fact that New Jersey ranks high in the country for production of blueberries (#3), as well as cranberries and peaches. Nurseries and wineries are big industries in the state. There is also progress for the use of parts of plants that had formally been waste such as finding that the nutrients in the outside leaves of broccoli make them usable. 

Rabbi Jordan Gendra was our guest speaker on October 22nd. In a very interesting and informative talk, he explained to us the meaning of the holidays Rosh Hashanah and Yom Kippur. He answered many questions about this information he presented, his background, college and advanced studies.
