There were many December 2009 Key Club activities.

Clearview Key Club: Collected toys for Robin's Nest; had a Talent show to benefit the Jean Young Memorial Fund which provides scholarships for students.

G.C.I.T.: Collected socks for children in Capetown, South Africa; sold candy for fundraising; visited Shady Lane for a holiday of service.

West Deptford: Completed wall mural for beautification of school hallway; Evergreen fundraiser raised \$800.00; West Deptford Soccer Turkey Shoots raised \$64.00; Operation Blessing collected food and clothing for V.O.A. shelter residents.

Woodbury: Read to children in the elementary schools; held a drive for supplies for troops serving overseas.

Pitman/Glassboro Kiwanis Club held a Division 2 Interclub Holiday Party on Thursday evening January 7th at Guillermo's Restaurant in Pitman. Following dinner they had a 'regifting' exchange which was lots of fun. Amelia and Joan attended from our club.

Please don't forget to email Betty any Community Service hours that you have accumulated this month. If you have articles for the Kronicle, please turn them into Joan by the 3rd week of the month.

We thank you for your cooperation!

Kiwanis One Day is coming soon. You need to sign up with and through George at our meetings for activities that you would like to participate in on Saturday April 10th.

Park clean-up, Story time at library, Collection of non-perishable foods at supermarkets (for donation to food banks, Samaritan center, etc.), Overseas Coupon Program (clipping coupons to send to overseas military families), Trauma Dolls (for donation to hospital, preferably Children's Specialized if they are interested in receiving them) and Project Linus (making blankets for donation, possibly to Pitman Manor nursing home) are a few choices.

If you have any other projects that they would like to work on that day, please contact George.

Christina has asked if each club president would get a tentative head count from their club members and send it to her as soon as possible. So your cooperation is very important. Their biggest limitation right now in planning this event is they have no idea how many people to expect. If Christina can get a rough estimate from George, it would greatly assist the Pitman/Glassboro Club in finalizing plans.

They are hoping to have a "home base" location in the Pitman area where everyone will go to sign in and meet back after heading out to their projects. It will also be where we'll work on the "craft" projects for those that don't want to travel. Any projects requiring travel from the "home base" will not be too far and car-pooling will be encouraged & arranged as needed says Christina Lukac, Pitman President, gherkina@yahoo.com , 609-970-4070)

George Wagoner held his President's Auction on Thursday, January 7th with Chip McDonald as our auctioneer. Everyone had a good time bidding on wrapped regifted items.

A program of water gardening in your backyard was presented on Thursday, January 14th by Andy Tighe. An 11'x16' pond and not more than 2 feet deep is a good model. Goldfish and koi add a colorful touch to water lilies Andy says. A special thank you to Andy for sharing his invaluable understanding for installing the proper water garden.

Charles White from the South Jersey Organic Garden Club & Rutgers Cooperative Extension spoke to us about backyard composting on Thursday, January 21st. A 3'x3'x3' is a good size for the average person to compost. You should not put in meats, fecal matter or fats. Aerating your compost is very important. We thank Charles for speaking to us.
