Four year olds in awe...Our own Rich Stahler was Santa Claus on December 15th for the little children at Woodbury Child Development Center. He did a great job reading to them about “Rudolph”. His elves helped to distribute books to the 4 year olds. The elves were Claire, Betty, Kathleen, Connie and George. Santa also made quick visits to all the classrooms. Thanks to our Kiwanis Club each of the nearly 100 children at the Center received a book to take home. Miss Agnes, the Head Teacher, hopes that each book will be read and re-read to the child by someone at home.

The President’s Auction is the time that it is ok to regift items that you received for Christmas or Hanukkah and didn’t want to keep. We will be looking for all Kiwanians to come to our January 6th luncheon meeting for this exciting event. Please bring several gifts with you to regift.

On December 12th 28 Kiwanians and their families enjoyed a Christmas brunch at Bogie’s Restaurant with food, fellowship, holiday decorations and music.

Jim Meehan, a recent transfer member from Arlington, VA Kiwanis, is welcomed into our Greater Woodbury Kiwanis. We are glad to have Jim as a new volunteer to help the children of our community. A Kiwanian for 15 years with the Arlington Club, Jim was a distinguished President and Hixson recipient.

Our Mid-Winter NJ Kiwanis Conference will be held on January 29, 2011 at the Crowne Plaza Hotel in Somerset. In order to provide dynamic service to the children of the world, it is necessary for Kiwanis Clubs throughout the New Jersey District to have continuous growth in membership and to have highly relevant programs that serve local community needs and focus on enriching the lives of children. Because of these facts, the leadership of the New Jersey District International has arranged to have a Mid-Winter Conference that will focus on growth, community service, and local club operations. The Conference will begin at 9:30am and the seminars that will be presented are related to membership growth, club functioning, insurances matters, and our new World Service Project: ELIMINATE (MNT), in conjunction with UNICEF. Ideas that will be presented have worked throughout the Kiwanis World and will be of great assistance to your club in these vital areas. You have the promise of Governor Marc and the entire leadership team of the NJ District that your club members will be a better educated and motivated Kiwanis member by attending the 2011 Mid-Winter Conference. The cost including a Continental Breakfast and a Chicken Tuscan Lunch will be only \$40.00 per person. Please see Betty or Amelia for a registration form. Deadline to register is Thursday, January 20th

According to Chip our poinsettias sale in December was successful. Thank you to Chip, Jeff, Howard and Tony who helped in the distribution of the plants and to everyone else who helped make this a profitable project by selling poinsettias again this year.

Howard Ballinger talked to us about the Lighthouse Challenge of NJ 2010 at Charles Brown's Dec 16th. He visited: Absecon Lighthouse, Barnegat Lighthouse and Historic Museum, Cape May Lighthouse and County Historic Museum, Delaware Bay Lighthouse and L.K.F.A at Hereford, East Point Lighthouse, Finns Point Lighthouse, Hereford Inlet Lighthouse, Ludlam Beach Lighthouse, Sandy Hook Lighthouse, Sea Girt Lighthouse, Tatham Life Saving Station, Tinicum Lighthouse, Tucker Island Lighthouse and Twin Lights. Visiting these historic sites has been a passion with Howard for years.
