Brenda Powell said the Aktion Club of Gloucester County sponsored a toy drive as their recent holiday service project. Toys were collected and donated to local organizations: Children's Hospital in Philadelphia, the Child Development Center in Woodbury, and Toys for Tots through a collection site at Cipriani Construction in Woodbury. The Aktion Club members solicited donations from their family, friends and coworkers. The response was overwhelming, making this service project a huge success. Thank you to everyone for your continued support of the Aktion Club of Gloucester County.

The Growth Membership Workshop was held on January 18, 2014 at Perth Amboy. President Jim, Joan and Carl attended. OUR New KIWANIS Formula is to stop repeating old methods/programs and start creating. We need to think out of the box!

F = Forget what has been done in the past and think new and different!

O = Offer the member benefits, not the rules, limitations, or costs!

R – Results are the goal – not effort or strategic plans!

M = Message the strategy in a way people believe it can be done!

U – Understand the “BIG” picture and visualize it!

L = Learn on the fly – mistakes are a part of the process – adjust quickly and often!

A = Anticipate success – what you think is what you get – if you can think we can, you’re right!

If you think we can’t, you’re right again!

A STRATEGY FOR EFFECTIVE CHANGE:

1. When you change your thinking you change your beliefs.
2. When you change your beliefs, you change your expectations.
3. When you change your expectations, you change your attitude.
4. When you change your attitude, you change your behavior.
5. When you change your behavior, you change your performance.
6. When you change your performance, you change your life.

TEN LITTLE KIWANIANIS

TEN little Kiwanians always meet on time,

On fell out with the President; then there were nine.

NINE little Kiwanians stayed up late,

One missed the meeting; then there were eight.

EIGHT little Kiwanians, one was named Kevin,

He got discouraged; then there seven.

SEVEN little Kiwanians, chirping like chicks,

One didn’t like singing; then there were six.

SIX little Kiwanians seemed very much alive,

One took a vacation; then there were five.

FIVE little Kiwanians each asking for more,

One took an extended rest; then there were four.

FOUR little Kiwanians each as busy as a bee,

One got his feelings hurt; then there were three.

THREE little Kiwanians couldn’t decide what to do.

One couldn’t have his way; then there were two.

TWO little Kiwanians, each brought one more.

Now, don’t you see; two and two makes four.

FOUR little Kiwanians worked early and late,

Each one brought one; now there were eight.

EIGHT little Kiwanians, if you double as before,

In just seven meetings, we’d have ONE THOUSAND TWENY-FOUR.

In this little jingle there is a lesson quite true – You either belong to the building or to the wrecking crew!
Please think out of the box and belong to our building crew!!
