Connie reports that during the month of November the Clearview Key Club collected approximately \$1,500.00 for the *Wounded Warriors Foundation*. The Key Clubbers received money from their fellow students based on the idea that they could vote for one of their teachers who would then dress as a turkey for 1 school day. Several teachers agreed to participate. The teacher who accumulated the most votes during the teacher period was the ‘winner’. Obviously this was a lucrative and worthwhile fund raiser, and everyone had a great time.
