Wow! What a wonderful day we had on Kiwanis One Day, April 11<sup>th</sup> at Camp Sun 'N Fun. The weather was almost ideal, the wind was the only problem but even that cooperated most of the time. Our club was joined by Key Club members from GCIT and Clearview as well as a few students from Timber Creek. They painted 4 cabin floors, raked, planted, and cleaned up sticker balls for approximately 4 hours. Jaime, from Camp Sun 'N Fun, and her camp director provided us with water and treats, and did a great job guiding us through the various activities they wanted us to do. All in all it was a productive day and the students were outstanding. Thank you to the Key Club students, and the other students and adults who helped out. Last but not least a shout out to the Sun 'N Fun staff who guided us and helped us throughout the day. The members from our club who participated were: Jim, Betty, Claire, Joan, Ed B, Connie, and George.
