for my club, my community,
my country, and my world.

The six objectives of Kiwanis International are

- To give primacy to the human and spiritual, rather than to the material values of life
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption & application of higher social, business & professional standards.
- To develop, by precept and example, a more intelligent, aggressive, & serviceable citizenship.
- To provide, through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

Our emphasis is serving youth so they can grow up to be strong,
healthy and productive citizens throughout the world.

Students in our Aktion Club are collecting items to donate to our troops overseas. Some of the items that you could help by donating would be: gum/hard candy; toothbrushes/paste; small sewing kits; pens/notebooks; and music CD's. If you have any of these items please bring them to our meeting on Thursdays.

Our Circle K committee continues to work with the students at Gloucester County College in our efforts to form a Circle K Club there. If you know of any seniors in high school who will be attending GCC in the fall please let us know so that we may include them in our plans.

May Is Recruitment Campaign Month

Our club's success is important for our community and for our entire organization. The best way to serve our club is to help it grow, and one of the best tools our district's Growth Team can offer is the May Recruitment Campaign. Many clubs participated in this program last year. Connie Wagoner is continuing as our membership chair and will be coordinating recruitment in our Division 2. These 10 simple steps to a successful recruitment campaign will help your club achieve real growth this year:

1. Order Materials
2. Set Up Your Team
3. Plan Your Guest Event
4. Develop a Prospect List
5. Mail Out Information
6. Invite Personally
7. Hold Meeting
8. Follow Up
9. Welcome New Members
10. Plan Your Next Event

The Woodbury Community Cocktail Party will be a great event for the community to come together and work on one goal... Starting a Woodbury Boys & Girls Club!

Tickets will be \$50 to attend the event, sponsorships are available for 3 different levels. \$1000 to sponsor entire event, \$250 to sponsor the bar, and \$175 to sponsor the Hors d'oeuvres
