One of our new members, Victor Pitts, collected school supplies for the students who go to Woodbury schools. Many of our club members participated by bringing in materials and the children appreciated everything that was brought to them. Some of our club members continue to work on starting an Aktion Club, a Circle K Club at Gloucester County College and raising money for the proposed Boys and Girls Club to be located in Woodbury. The advisor from GCIT Key Club along with a student from Clearview Key Club spoke at our meeting on August 26th about up coming activities for this year reports Betty.

The Kiwanis Club of Greater Woodbury is proud to have had George Wagoner as our President for 2009--2010. He did a great job leading our Club in a successful year of serving our children and local communities. We congratulate you George on a job well done!!!!

Our Greater Woodbury Kiwanis Kronicle won 1st Place in the 2010 Club Newsletter Contest at our NJ District at the Convention on August 20-22nd at the Hanover Marriott Hotel in Whippany, NJ. Joan thanks everyone for contributing articles to keep us #1 in our category!!! The Governors Recognition Award was presented to Joan Van Note for service above and beyond the call of duty as Lt Governor for Division 2 in the 2009-10 Administrative Year. She received a certificate as well as a copy of the Kiwanis Legacy: 2 volumes from 1915-2004. Governor Mark Esposito also presented Joan with the prestigious Carrington Swain Fellowship Award.

Thanks to Howard Ballinger who grew flowers and to other members who helped weed our Kiwanis Triangle this year. It is a thankless job but the beauty that the flowers produce is wonderful. Why not come out and help us the next time we work at the Triangle?
